

## DECLARATION OF CONFIRMITY

DZ\_SOS Accessories\_02.15

This declaration certifies that all the products listed below have been reviewed in accordance with the conditions and requirements stated below and in all aspects that are compatible with them.

### Structural Cabling System - Accessories

#### Adapters

|          |                         |
|----------|-------------------------|
| 11330650 | Flat Plate BKT 1xRJ45   |
| 11330560 | Angled Plate BKT 2xRJ45 |

#### Dummy Plugs

|          |                                |
|----------|--------------------------------|
| 11320390 | Dummy Plug BKT 2 MOD M 45/45   |
| 11320380 | Dummy Plug BKT 1 MOD M 22,5/45 |

#### Inserts

|          |   |
|----------|---|
| 10490300 | Insert BKT – white dummy plug to 19" modular patch panels                                     |
| 10490303 | Insert BKT – black dummy plug to 19" modular patch panels                                     |
| 10490272 | Insert BKT – white for SC simplex, LC duplex connectors, to mount in 19" modular patch panels |
| 10490282 | Insert BKT – white for ST connectors, to mount in 19" modular patch panels                    |
| 10490262 | Insert BKT – white for F and RCA connectors, to mount in 19" modular patch panels             |

#### Frames

|            |                              |
|------------|------------------------------|
| 11331178.J | Frame with support BKT 2 MOD |
| 11331198.J | Frame with support BKT 4 MOD |
| 11331188.J | Frame with support BKT 6 MOD |

#### Surface-mounted Boxes

|            |                               |
|------------|-------------------------------|
| 11330578.J | Surface-mounted box BKT 2 MOD |
| 11330658.J | Surface-mounted box BKT 4 MOD |
| 11330668.J | Surface-mounted box BKT 6 MOD |

#### Flush Boxes

|          |                                      |
|----------|--------------------------------------|
| 11330579 | Flush box BKT for hollow walls 2 MOD |
| 11330659 | Flush box BKT for hollow walls 4 MOD |
| 11330669 | Flush box BKT for hollow walls 6 MOD |

Low voltage directive 73/23/EEC with changes 93/68/EEC  
Norm: PN-EN 50085-1;2001

This declaration also certifies that the structural cabling system components are compatible with the provisions of directive RoHS 2 2011/65/EU.

Date of issue: 12.08.2015

## DECLARATION OF CONFIRMITY

DZ\_SOS Sockets 230\_02.15

This declaration certifies that all the products listed below have been reviewed in accordance with the conditions and requirements stated below and in all aspects that are compatible with them.

### Sockets 230V

|          |  |
|----------|--|
| 11330919 | White socket BKT 1x(2P+T) 2 MOD M45    |
| 11330953 | Red socket BKT 1x(2P+T) 2 MOD M45 DATA |
| 11331282 | White socket BKT 2x(2P+T) 4 MOD M45    |
| 11331279 | Red socket BKT 2x(2P+T) 4 MOD M45 DATA |
| 11331381 | White socket BKT 3x(2P+T) 6 MOD M45    |
| 11331380 | Red Socket BKT 3x(2P+T) 6 MOD M45 DATA |
| 11331203 | Key BKT releasing of DATA sockets      |

Norm: PN-IEC 60884-1:2006+A1:2009  
PN-E 93201:1997

This declaration also certifies that products are compatible with the provisions of directive RoHS 2 2011/65/EU.
